SPECIFICATIONS

90 Veggie Capsules per bottle.

DIRECTIONS

As a dietary supplement, adults should take two (2) to three (3) capsules in the morning.

STORAGE INSTRUCTIONS

Store in a cool, dry place. Keep out of direct sunlight.

INGREDIENTS

Ginger Root Extract, Papaya Extract, Turmeric Extract, L-Glutamine, Inulin Extract, Goldenseal Extract, Cayenne Extract, Peppermint Extract, Betaine HCl, Black Pepper Extract (Piperine), Veggie Capsules.

Ginger Root Extract: Indian and Chinese People are believed to have produced ginger as a tonic root for over 5000 years to treat many ailments. Ginger may help relieve nausea and vomiting and aid digestion. Antioxidants and other nutrients in ginger root may help prevent or treat arthritis, inflammation, and various types of infection. Ginger may also reduce the risk of diabetes, cancer, and other health problems.

Papaya Extract: Papayas contain two enzymes, papain and chymopapain. Both enzymes digest proteins, meaning they can help with digestion and reduce inflammation.

Turmeric Extract: Turmeric has been used in India for thousands of years as both a spice and medicinal herb. Turmeric contains a compound called curcuminoids. The most important one is curcumin. Curcumin is said to have powerful anti-inflammatory effects and thought to be an antioxidant, thus being useful in assisting people with arthritis, inflammation and muscle soreness after exercise. It may assist people with diabetes and kidney health issues.

Black Pepper Extract (Piperine): It helps to consume Turmeric with black pepper, which contains piperine. Piperine is a natural substance that enhances the absorption of curcumin by 2,000%.

L-Glutamine: Glutamine supplements might help gut function, immune function, and other processes, especially in times of stress when the body uses more glutamine.

Inulin Extract: Inulin is a type of prebiotic. It's not digested or absorbed in the stomach. It stays in the bowel and helps certain beneficial bacteria to grow.

Goldenseal Extract: Goldenseal is a herbal remedy that some people use to treat colds, hay fever, digestive problems, and other health conditions. Its roots and leaves have been used in traditional medicine to treat a variety of ailments, especially those involving infections or inflammation. Today Goldenseal ranks amongst the most popular herbal remedies worldwide.

Cayenne Extract: Cayenne has been used in traditional Indian Ayurvedic, Chinese, Japanese, and Korean medicines as an oral remedy for stomach problems, poor appetite, and circulatory problems.

Peppermint Extract: Traditionally people use peppermint for irritable bowel syndrome (IBS). It is also used for indigestion, bed sores, tension headache, anxiety, insomnia, memory, and many other purposes.

Betaine HCl: Betaine hydrochloride has been known to be recommended by some doctors as a supplemental source of hydrochloric acid for people who have a deficiency of stomach acid production.

Veggie Capsules: Made from pine-derived cellulose, they are preservative-free, GMO ingredient free, gluten-free, biodegradable, halal and kosher.

ALLERGEN INFORMATION

Produced in a facility that uses nuts, gluten and soya.
