Store in a cool, dry place. Keep out of direct sunlight.

INGREDIENTS

Devils Claw Extract, Turmeric Extract, Black Pepper Extract (Piperine), Naringin Extract, Moringa Leaf Extract, Cayenne Extract, Organic Green Tea Extract, Veggie Capsules.

Devils Claw Extract: Native to southern Africa, Devil's Claw (*Harpagophytum procumbens*) gets its name from the tiny hooks that cover its fruit. Historically, it has been used to treat pain, liver and kidney problems, fever, and malaria. Devil's Claw was introduced to Europe in the early 1900s, where the dried roots have been used to restore appetite, relieve heartburn, and reduce pain and inflammation. Today, it is used widely in Germany and France to fight inflammation or relieve arthritis pain, inflammation, headache, and low back pain.

Turmeric Extract: Turmeric has been used in India for thousands of years as both a spice and medicinal herb. Turmeric contains a compounds called curcuminoids. The most important one is curcumin. Curcumin is said to have powerful anti-inflammatory effects and thought to be an antioxidant, thus being useful in assisting people with arthritis, inflammation and muscle soreness after exercise. It may assist people with diabetes and kidney health issues.

Black Pepper Extract (Piperine): It helps to consume Turmeric with black pepper, which contains piperine. Piperine is a natural substance that enhances the absorption of curcumin by 2,000%.

Naringin Extract: Found in citrus fruits, Naringin is known to behave as an antioxidant and possess anti-inflammatory, anti-apoptotic, anti-atherosclerotic, neuroprotective, anti-psychotic, anti-asthmatic, anti-diabetic, hepatoprotective, anti-tussive, cardioprotective, and anti-obesity activity.

Moringa Leaf Extract: Moringa leaves are one of the most nutrient-dense greens on the planet, packed with protein, essential amino acids, 27 vitamins and 46 antioxidants. They includes key nutrients like calcium, iron, B vitamins, potassium, magnesium and vitamin C. Moringa is rich in macro- and micronutrients and other bioactive compounds which are important for the normal functioning of the body and prevention of many diseases, according to research. Moringa can be extremely useful to people suffering from inflammatory conditions, diabetes, high blood pressure and people needing an immune booster.

Cayenne Extract: Cayenne has been used in traditional Indian Ayurvedic, Chinese, Japanese, and Korean medicines as an oral remedy for circulatory problems.

Green Tea Extract: Green Tea contains polyphenols which are known to have have strong anti-inflammatory properties.

Veggie Capsules: Made from pine-derived cellulose, they are preservative-free, GMO ingredient free, gluten-free, biodegradable, halal and kosher.
