

DESCRIPTION

Insomnia and lack of sleep are the cause of many modern health problems. Perfectly pure, our product contains no additives or fillers, just 100% pure natural ingredients. These ingredients promote restful sleep naturally, assist with combatting anxiety and stress and will help you drift off into a restful slumber.

SPECIFICATIONS

60 Veggie Capsules per bottle.

DIRECTIONS

As a dietary supplement, adults should take two (2) capsules 30 minutes before bedtime.

STORAGE INSTRUCTIONS

Store in a cool, dry place. Keep out of direct sunlight.

INGREDIENTS

Passion Flower Extract, L-Theanine, Chamomile Flower Extract, Turmeric Extract, Black Pepper Extract (Piperine), Magnesium Gluconate, Catuaba Bark Extract, Valerian Extract, Veggie Capsules.

Passion Flower Extract: Passion Flower Extract is often used to assist with anxiety and insomnia. Scientists believe Passion Flower works by increasing levels of a chemical called gamma aminobutyric acid (GABA) in the brain. GABA lowers the activity of some brain cells, making you feel more relaxed.

L-Theanine: L-Theanine is an amino acid found in green tea, it has been shown to assist brain functions by relieving stress disorders, improving mood, and maintaining normal sleep.

Chamomile Flower Extract: Chamomile is a flowering plant used as a medicinal herb for centuries. It is used to assist with improved sleep, reduced anxiety, relief from stomach ailments, and treatment of skin conditions.

Turmeric Extract: Well known as an impressive sleep aid due to its relaxation and anti-inflammatory properties, we add Piperine in the form of Black Pepper Extract for bioavailability.

Magnesium Gluconate: Magnesium Gluconate is one form of magnesium easily absorbed by the body and recommended by sleep experts to promote calm, relaxation, and improved sleep.

Catuaba Bark Extract: This natural bark is used for agitation, trouble sleeping related to high blood pressure, nervousness and ongoing mental and physical fatigue.

Valerian Extract: Valerian has been used medicinally since the times of early Greece and Rome. Today, valerian is promoted for insomnia, anxiety, depression, premenstrual syndrome (PMS), menopause symptoms, and headaches.

Veggie Capsules: Made from pine-derived cellulose, they are preservative-free, GMO ingredient free, gluten-free, biodegradable, halal and kosher.

ALLERGEN INFORMATION

Produced in a facility that uses nuts, gluten and soya.
